

Name Change Information

Once you are married, you may choose to take your spouse's last name. If you are taking your spouse's last name, most entities will require you to present a *certified copy* of your marriage license as proof of marriage.

Photocopies and Keepsakes are **not** recognized as proof of marriage.

A certified copy of your marriage license is needed to change your name on the following documents
(Please check with the offices listed below to see what else they may require for a name change):
